

THE CONSORTIUM NEWSLETTER

Supporting Authentic, Inclusive
Postsecondary Education

March 5, 2018

Volume 1, Number 1

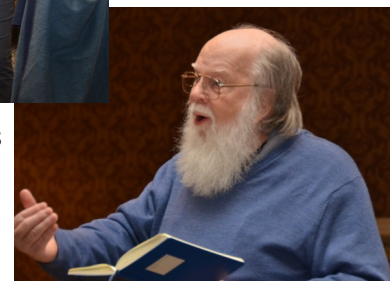

Welcome to the inaugural newsletter of the [Pennsylvania Inclusive Higher Education Consortium](#), or as we affectionately refer to it, "The Consortium." Our goal with this newsletter is focused on providing an update on Consortium activity on a bi-weekly basis. Funded through the acquisition of a Transition and Postsecondary Program for Students with Intellectual Disabilities (TPSID) grant, The Consortium provides technical assistance and support to Institutions of Higher Education (IHE) within the Commonwealth. With [13 member IHE](#) at varying stages of program development, we strive to develop authentically inclusive post-secondary education experiences for students with intellectual disability.

We look forward to sharing our worthy work .
