Stay near the Penn Stater and attend PaTTAN's Transition Conference!

The 2023 PA Community of Practice Transition Conference on August 9 and 10, *Our Voice, Our Plan, Our Future*, is designed to expand the capacity of youth, family members, schools, and community partners regarding specific issues related to effective employment and post-secondary educational practices, developing healthy lifestyles; and the utility of assistive technology, resources, supports and services available to youth and families. For more information, please visit the [conference website](#).
